

## ORDINANCE

**Introduced In Council On Monday Evening**

**Provides For Hitching Rings On Main St.**

**Ordinance Is Given One Reading At The Session**

**Two New Library Trustees Are Appointed**

**Question Of Securing A New "Dump" Discussed**

The city council met in regular session on Monday evening with President Edward Dever in the chair. The meeting was called to order and all members except Mr. Dowds answered at the roll call. The minutes of the last regular meeting were read by Clerk McIntire and approved by the council as read.

A bill was presented to the council by Humane Officer Jacob Lybarger for services as humane officer. The bill was referred to the finance committee.

A communication from Mayor Mitchell was read before the council, presenting the names of E. O. Arnold and William M. Coup as trustees of the public library. Mr. Cole moved that these names be confirmed. The motion was carried.

Solicitor Leonard reported that the matter of paving of East High street between the public square and Gay street was still pending and that nothing had been done about the matter definitely concerning the bridge fund and that nothing could be done concerning the bridge across Center Run on Vine street until this matter was settled.

City Auditor reported that \$32.01 had been deducted from the electric light bill for outages of the city lights. Clerk McIntire reported that he had been asked by the board of health to report that in a meeting of the board in April, the salary of the health officer had been raised from \$20 to \$40.

Mr. Zeno Taylor addressed the council and spoke about the matter of providing a swimming pool at Riverside park for the young people of the city. He stated that a canvass had been made and that it had been found that out of all of the young boys in the city, sixty per cent could swim and forty per cent could not swim. He asked that the council consider the matter and if they found that it would be a favorable proposition, that they erect a cheap building for the changing of clothes for the patrons of the proposed pool when they chose to take advantage of the swimming place.

He said that the building could be roughly erected and would serve the purpose nicely. The matter was referred to the public improvement committee and the finance committee.

Mr. Farrison reported that the street light on the corner of Division and East Front streets had been out for twenty-nine nights in succession during the month of May. The matter was referred to the city clerk and he was instructed to notify the light company about the matter and to instruct the auditor to deduct the same from the light bill.

Health Officer Blair suggested to the council that a tract of land be leased by the council to be used for a city dumping ground as the places now in use were objected to by many residents of the city owing to the unsanitary methods connected with the dump.

Mr. Cole moved that a committee be appointed to meet and confer with the board of health to consider the matter of leasing of ground for dumping purposes. The motion was carried. The matter was referred to the public improvement committee.

An ordinance to remove obstructions from the sidewalks, streets, alleys and public grounds by the city and to place hitching ring on Main street was introduced and read for the first time by its title.

An ordinance to dispose of the \$500 collected by Mayor Mitchell for violations of the Rose law was introduced as follows: \$180 to the public safety fund, \$132 to the fund for the prosecution of violations of the Rose local option law and \$188 to the general fund. This ordinance was given the second reading by its title and laid on the table for one week.

Adjourned.

Mr. John Remlinger went to Danville Tuesday morning to attend to some matters of business.

## CHILDREN'S DAY

**Exercises Were Held At Messiah Church On Sunday**

Children's Day exercises were held Sunday evening at the Messiah Christian church in Butler township, and an offering was taken for foreign missions.

A number of children took part in the songs and recitations. "Bright and Shining Lights" and "A Little Child Shall Lead Them" were two very beautiful exercises rendered by the children. Rev. A. B. Williams of this city made a short address and sang as a solo, "A Little Bit of Love."

A very sad circumstance in connection with the services was that Wm. Stricker, the superintendent of the Sunday school, and his sister Miss Lulu Stricker, the church organist, after having met with the children a number of times to help them get ready for the service, were hindered from being present because of the sad death by accident of their brother, "Squire Stricker," at the B. & O. yards on Saturday.

## DEATH

**Ends Sufferings Of A Homer Man**

(Newark American Tribune)

Squire Stricker, who had his right leg so badly crushed on Saturday afternoon while unloading cattle for Mr. Dunlap of Homer, and who was brought here at noon and taken to the hospital, died Saturday night. He was operated on and his leg was amputated with the hope of recovery.

He was aged thirty years and leaves a wife and two children to mourn their loss, also one sister and four brothers.

The funeral was held this afternoon at his home in Homer.

## UTICA

**Men Arrested In Mansfield For Being Drunk**

(Mansfield Shield)

Jim Riley of Utica, O., was arrested Saturday night at 1:10 a. m. along the B. O. tracks by Capt. Hagerty and Officer Appleman on the charge of disorderly conduct. He said he had a good job at Utica and the acting Mayor gave him a chance to get back to it on a suspended fine of \$2 and costs.

Jim John, also of Utica, arrested with Riley and charged with the same offense was also allowed to go back to his job under the same condition.

## PINCHED

**Was Parnell For Keeping His Saloon Open**

(Mansfield Shield)

Gilbert Parnell, proprietor of a saloon on North Main street, was arrested Sunday by Chief Feeny charged with keeping his saloon open on Sunday.

It is stated that Chief Feeny was coming through an alley in the rear of the Parnell place when he saw a porter hand out a bottle of beer. The beer was taken to city prison.

Parnell entered a plea of guilty and was fined \$50 and costs amounting to \$53.60.

## FIRE

**Destroyed A Home In Utica This Morning**

Utica, Ohio, June 7.—The town of Utica was again visited by fire early Tuesday morning when the home of Mr. Wells was destroyed by flames which were supposed to have started at about four o'clock from some unknown origin. Owing to the fact that the village is not supplied with the proper means to fight fire, the building was at the mercy of the flames and nothing could be done except to remove some of the household goods.

## MANUAL

**Training To Be Re-Established In City Schools**

**Board Of Education Decides Monday Evening**

**Reduction Made In Levy For Next Year**

**Bonds To Be Issued In Sum Of \$26, 000**

**Other Business Transacted By The Board**

The city board of education met in regular session in the office of Clerk Coyner on Monday evening with all members present at the roll call. The meeting was called to order by President Lorey and the minutes of the last meeting were read by Clerk Coyner and accepted by the board as read.

The first thing to be taken care of was the bills which were read by the clerk, all of which had been accepted and they were ordered paid.

A resolution was adopted to provide for the issuing of \$26,000 worth of four per cent bonds to refund and take up \$11,000 worth of six per cent interest bearing bonds and \$15,000 worth of five per cent interest bearing bonds.

The levy for the ensuing year was made by the board and was reduced from fourteen mills, which was last year's levy to thirteen mills which will be next year's levy. This is a reduction of one mill. The following is the amount of the levy for each fund:

Tuition—7½ mills.

Contingent fund—2½ mills.

Bond and interest fund—3 mills.

Provisions were made for the repairing of the room which is to be used as a home for the alumni association. This room is on the third floor of the Central building and the frescoing and moulding have fallen off the walls making it unrepresentable and somewhat dangerous.

The question of the installation of manual training and domestic science branches in the public schools was brought before the board for discussion and it was decided that in consideration of the reduction of expenses that have been provided for, it would be well to install these branches of study and training in the schools.

After commencement this year, it was decided that the entire board would make a visit to each and every room in all of the school buildings in the city relative to repairing them wherever the board might see fit during the vacation season. In this tour of the buildings, the members of the board will decide which rooms will be used for the teaching of manual training and domestic science. There will be no additional expense connected with these two departments of study, as seen by the above levy, and in fact it will be accomplished by a less levy than last year.

As there were no other matters of business to be taken care of, the meeting was adjourned on motion.

## BIBLE CLASS

**To Be Given Souvenirs On Next Sunday**

Rev. L. O. Newcomer has ordered five hundred souvenirs to be given out to the members of the Adelpian Bible class on Sunday, June 19th. Every man who has at any time belonged to the class will get a souvenir, if present on that day. Every man who visits the class will also be presented with a souvenir. On this day Mr. Faris will be with the class to encourage them in their great work. Mr. Faris is State Superintendent of Sunday School work and well known as a Bible school leader. In his work throughout the state he has frequently referred to the working of the Adelpian class and has had a desire for a long time to visit the class. Special music will be arranged for the day. This will be a great day in Sunday school work in Mt. Vernon.

If you are not satisfied after using according to directions two-thirds of a bottle of Chamberlain's Stomach and Liver Tablets, you can have your money back. The tablets cleanse and invigorate the stomach, improve the digestion, regulate the bowels. Give them a trial and get well. Sold by all dealers.

## DEATH

**Claims A Former Pastor Of Mt. Vernon**

**Rev. Wm. J. Wells Dies Near City Of Toledo**

A message was received in the city Tuesday announcing the sad news of the death of the Rev. William J. Wells, which occurred at the home of his daughter, Mrs. Frank Spitzer at Pemberville, near Toledo, on Sunday. The deceased had been in ill health for a year or more with rheumatism and heart complications.

Rev. Mr. Wells was a former resident of Mt. Vernon, being pastor of the Mulberry street M. P. church from Sept. 1, 1900 to Sept. 1, 1901. He was one of the prominent men in the conference and for a number of years was the conference president and later was president of West Lafayette college.

The deceased is survived by his wife, two sons, and two daughters, as follows: Vernon Wells of West Lafayette, Rev. LeMoyné Wells of Denver, Colorado, Mrs. Frank Spitzer of Pemberville and Mrs. Dehl of Oberlin.

He had been a faithful worker in the Christian cause and had accomplished much for the uplifting of mankind. The remains will be shipped to West Lafayette where the funeral services will be conducted Wednesday afternoon at the West Lafayette M. P. church.

## HON. J. A. LEONARD

**Supt. Of Reformatory To Lecture At Howard, June 13**

Hon. J. A. Leonard, superintendent of the Ohio State Reformatory of Mansfield, Ohio, will deliver his lecture, "Those Broken Vessels," on Monday evening, June 13th, at 8 o'clock at the Christian church, Howard.

This lecture will be given under the auspices of the Men's Association at Howard, and will be free to the public.

As Mr. Leonard is a man of national repute in his work of reformation of the young, the committee regard it fortunate that they have secured him for this lecture.

An earnest and broad invitation is extended to all to be in attendance and hear him on this subject.

Parents and young men and women especially requested to be present and to hear this lecture.

## ALUMNI ASSOCIATION

**To Elect Officers At A Meeting On Thursday Evening**

On Thursday evening of this week at 7:30 o'clock the Mt. Vernon Alumni Association will hold its final meeting of the year in Supt. Alan's office. The annual election of officers will occur and many other matters of importance will be considered. Every member is urged to be present as all the arrangements for the reunion and banquet must be completed at this meeting. The rallying committee is especially urged to attend.

The various committees have been energetically pushing the work of their departments and the success of the banquet this year is assured. The attendance will be anywhere from 350 to 200.

The repairs to the permanent home of the alumni in the third story of the Central building are progressing rapidly.

The alumni members are urged to secure their tickets at once of Mrs. Iva Rudolph at the Knox National National bank and assist the banquet committee in their arduous task of determining for how many guests to prepare. This is very important.

## TRUSTEES

**Of The Public Library Elect Officers**

The board of trustees of the Mt. Vernon public library have elected these officers:

President—Mr. F. L. Fairchild.  
Secretary—Mr. D. B. Kirk.  
Treasurer—Mr. A. F. Stauffer.

## A REAL CURE FOR BLOOD DISEASE

S. S. S. is a real cure for Contagious Blood Poison because it is a real blood purifier. We all realize that this disease is a specific blood infection of the most powerful nature, the virus of which so thoroughly poisons the corpuscles of the circulation that its symptoms are manifested over almost the entire body. First comes a tiny sore or pimple, then the mouth and throat ulcerate, the glands in the groin swell, the hair begins to fall out, skin diseases break out on the body, sores and ulcers appear, and even the bones ache with rheumatic pains. It is reasonable to believe that in a blood poison so powerful as this that only a blood purifier can have any permanent good effect. S. S. S. is the greatest of all blood purifiers; it goes into the circulation and by thoroughly cleansing the blood of every particle of the insidious virus makes a permanent and lasting cure of Contagious Blood Poison. It does not hide or cover up the disease in the system but it entirely removes the last trace of its destructive germs. If you are suffering with this disease S. S. S. will cure you because it will cleanse your blood and enrich its health-promoting corpuscles. S. S. S. is made entirely of healing, cleansing roots, herbs and barks, and is a medicine so absolutely safe and certain in its results, that everyone may cure themselves at home, and be assured the cure will be permanent and lasting. Home Treatment book containing much valuable information for successful treatment, sent free to all who write.
